

Dear !!NAME!!,

Everyone here at the North Pole is very busy preparing for Christmas Eve. Mrs. Claus is mending my red suit as I had so many holes in the knees from sliding down all of those chimneys! I'm writing to remind you to be a good !!GENDER!!.

Help out your parents as often as you can.

Mrs. Claus and I have been checking our list and seen that you have !!ACCOMPLISHMENT!! this year! We are so proud of you!

The elves and I agreed that you deserve to get something extra-special this year. I've been told that you're hoping to find a new !!PRESENT!! when you wake up on Christmas morning.

We'll do our very best!

I will soon be on my way to visit your house in !!TOWN!!. I am excited to begin my long journey to the home of the many good little boys and girls all around the world!

Merry Christmas and Warmest Wishes!

Dear !!NAME!!,

Rudolph just whispered in my ear that the sleigh is nearly packed. He can hardly wait to lead the reindeer with my sleigh full of toys on our long trip to visit the homes of good boys and girls. The elves are busy putting bows and ribbons on the last of the presents.

I just had to take a minute to write to you and tell you that I am very pleased with the good reports I have received about you. I see that you have !!ACCOMPLISHMENT!! this year!

The reindeer and I are planning to arrive in !!TOWN!! just after midnight to deliver your gifts. Please be sure to hang your stocking and be in bed early as Christmas is such a busy day!

Well, Mrs. Claus is calling me for dinner, so I have to get going. Keep on being a good !!GENDER!! and Merry Christmas to you and your family!

Merry Christmas and Warmest Wishes!
